

Guidelines to Students after reopening the Faculty of Agriculture for the academic activities for the 2015/2016, 2016/2017 & 2017/2018 batches after COVID-19 outbreak

- All students should use the main entrance of the faculty for entering into the premises.
- Valid PHI Certificate must be submitted while entering into the premises and temperature will be checked while entering and time to time and any person recording a temperature above 98.4 °F or 37°C should not be allowed.
- Parents or visitors were not allowed to enter into the premises.
- Wash your hands with soap / handwash and water before entering the premises or alternatively use the hand sanitizer.
- Wash your hands with soap / handwash and water before entering and leaving hostels, lecture halls, laboratories, Library and other places or alternatively use the hand sanitizer.
- Keep Social distancing and always wear face mask inside the premises except your own hostel rooms.
- Students are not allowed to visit other students' hostel rooms.
- Encourage respiratory etiquette, including covering coughs and sneezes. Coughs and sneezes have to be covered by the inner side of elbow or sleeve. In a situation where this is not possible a tissue can be used to cover the nose/mouth, provided the tissue is discarded into a closed bin and hands washed thereafter.
- Unwanted group gatherings were prohibited.
- All should wash hands with soap and water before meals and should use your own water bottles, tea cups and meal boxes / plates, own cutlery and you are requested to bring your own.
- Take away is only allowed in canteen or student centre and you should eat your all meals from your hostel rooms to reduce overcrowding.
- Use your own stationaries and belongings and avoid sharing.
- If anyone have fever, with or without acute onset respiratory symptoms such as cough, runny nose, sore throat and/or shortness of breath should inform to the sub-wardens of the respective hostels.
- If any student wishes to go home before the semester examinations; they should get permission from the Dean and should submit a new PHI Certificates once returning.

- Students should get written approval from the sub wardens and it should be submitted to main gate while going to shop, restaurants, and other nearby area and once return back, it should be collected from security office and to be submitted to the sub warden who have signed. (Have to fill the form which is available at the hostels)
- Student should note the vehicle details including vehicle number for each travel while using public / private transport to arrive the faculty and each and every situation where they leave from the faculty premises.
- Faculty vehicles can be used to go to bank or hospital on week days.
- All students should report to hostels before 8.00 p.m every day.
- Adhere other good health practices to minimize the risk of spreading COVID-19.

If any student who is not adhered the above guidelines, the particular student will be sent out from the faculty immediately and not allowed to sit the forthcoming examinations.
